AVIANO WOMEN'S BIBLE STUDY DEMONSTRATES DIVERSITY

The Refuge Aviano Center women's Bible study was a classic example of the diversity we see in this ministry worldwide. At their study Sept 26th, there were 5 nations represented!

SANDHILLS WORSHIP CENTER DONATES TO LA FLOOD VICTIMS AND IS IN REVIVAL!

Sandhills WC, Fayetteville, NC led by **Wade & Tammy Miller** recently emptied out the shelves of their benevolence ministry, L.O.F.T to help the relief effort for Louisiana flood victims. Donating 252 boxes of household goods and clothing, it totaled 5,425 pounds of items given!

God honors that giving and they are now in the midst of a powerful move of God with 18 being baptized in water on Sept. 11th and 14 new members added to the church. In their "Break Every Chain" revival with Evangelist Richard Silfies, souls have been saved and baptized in the Holy Spirit at every service with record attendance. Praise God!

Awesome things have been happening at New Life CC in Vilseck, Germany. On August 21st, they had a "*Friends & Family Day*". August 27th was a fun day to celebrate kids going back to school with a movie at the church.

Also on Sept. 17, the singles ministry and the women's ministry met. The "Women's Sunday" was on Sept. 25 with them leading the service.
