LEADERSHIP TRANSITION

Martin & Monica Urias served since the spring as Interim Directors at Solid Rock CSC in the UK serving the Lakenheath/ Mildenhall/Feltwell milcoms. They have just PCSed to the USA. We so appreciate their faithful service to the Center and community there. We wish them the best! The new leaders, Darius & Faith Walden will be arriving in September as full time missionary pastors. Please join us in prayer for every detail in the transitions to be smooth and blessed.
