

## OUR MISSION

Connecting military, veterans, and their communities with a missional, Christian family.

## OUR VISION

To reach and involve armed forces personnel in a *Cornelius style* ministry from the time they take the oath of service, throughout all deployments, until finally returning to continued fruitful service in their home church.

## OUR CORE VALUES

The Ministry to the Military exists to establish and maintain **caring** New Testament fellowships, in cooperation with like minded organizations, to **reach all people** for Christ and to **train lay leaders** for service.
